An invitation to you from

St. Aidan's Episcopal Church

The growing community of St. Aidan's is called to be God's light and loving presences in the greater Hartford area through faith, sacrament and outreach.

An invitation

We are all searching, and at St. Aidan's parish; we have found something real and beautiful and life giving. We invite you to join us. Our community life is focused on growing as disciples of Jesus Christ.

We recognize that all people are precious to God and a part of God's creation. We also recognize that God did not make any of us the same! We will not ask you to be someone you are not. Rather, we invite you, within the context of a caring Christian community, to discover who you really are.

If you want a church that is focused on the Scriptures, centered in Christ, and celebrates the sacraments, then we invite you to join us. If you are looking for a community that values diversity and respects the dignity of all people, then we invite you to join us. We offer a variety of opportunities to explore your faith, to be involved, and to enjoy social gatherings.

Once you have experienced St. Aidan's way of life, we think you search for a church home will be over.

Come for a visit!

A bit about St. Aidan's

St. Aidan's Episcopal Church is a vibrant Christian community that has been serving the greater Hartford area since 1955. We are people like you seeking spiritual growth and a personal relationship with Jesus Christ.

We worship together. Our services include scripture readings, relevant and thoughtful sermons that connect the Bible with everyday lives, and a lively and vibrant music ministry with a choir and enthusiastic singing. Holy Communion is celebrated every Sunday. All baptized Christians are invited to and welcome at Christ's table.

We reach out to those in need.

“Truly I say to you, as often as you did it to one of the least of these, my brothers and sisters, you did it to me.” Matthew 25:40

We support one another. St. Aidan's is a community that welcomes you, regardless of where you are in your journey of faith, marital status, church, membership or non-membership or other factors. We are an Episcopal Church rooted in historic Christianity. We recognize and respect the experiences, insights and beliefs of others.

What will I find at St. Aidan's

- ◆ Practical spiritual messages to support you as you face the joys and challenges of everyday life.
- ◆ A child-friendly community which welcomes children in our service and also provides Sunday School classes and a nursery.
- ◆ We welcome all regardless of age, sex, race, orientation or prior church experience.
- ◆ Fresh coffee, snacks and fellowship after Sunday service.
- ◆ A connection to the larger church with opportunities for spiritual retreat, camping, involvement in peace and social justice ministries, service to those in need, and much more.
- ◆ Mixed Marriage? In church terms, that usually means people of two denominational backgrounds. The Episcopal Church provides a wonderful blend of the best of Catholic & Protestant. Many couples find St. Aidan's to be answer to prayer and a place of prayer.
